## HOME's 2007 Used Curriculum Sale was a huge success!

**2007** was a very successful and exciting Used Curriculum Sale for everyone! The new sales tags and check out procedure allowed buyers to move through the check out line within 10 minutes! We are already planning 2008's sale and look forward to seeing you there. The rules and sales tags will stay the same as last year. (If you sold in the 2007 sale and will be participating in the 2008 sale with items from the 2007 sale - please contact the HOME office before you begin retagging items for 2008.) Please help HOME by sharing information of the 2008 Used Curriculum Sale with your friends, and plan to participate as a seller, a buyer or both! HOME will be holding a Getting Started Workshop at the sale, and The Heart of HOME Bookstore will also be at the sale!

### Read on to find information about . . .

- . . . your master copy of the new **required** Used Curriculum Sale Tags

### To purchase items at the sale. . .

- . . . you may use a check or cash, we are not equipped for credit cards
- . . . bring sturdy bags in which to carry your purchases

- . . . bring a list of needed curriculum

These items will stay the same as the past 3 years:

- **Format**—no long lists of books that must be sent to us!
- **Sales tags**—you **MUST** use copies of our new Curriculum Sales Tag. (See the last page.)
- **Sales money will be sent within three weeks to the seller.** We will **NOT** be giving out money at the sales.
- **You may bring a friend's items to sell**—HOME must have a Sellers Release signed by the friend. The friend must have their own seller number.
- **You will have 4 hours to shop**—this will be an intensive time of shopping. You will find it easier to concentrate if you can make childcare arrangements for your children.

## 2008 HOME Used Curriculum Sale—Selling Curriculum

**Y**our participation as a seller is crucial to the event's success. Your used books and educational materials may be just what another homeschooler needs! HOME will keep 20% of your sales to help finance the ministry to Maine homeschoolers. Please be sure to read over the instructions for selling as they have changed a great deal from past years.

It is very important that the following instructions are followed when selling your items

### To participate you will need:

1. To Register by June 1, 2008 (Contact the HOME Office (207) 763-2880 or homeschl@midcoast.com)
2. A Participant Number (provided by HOME)
3. HOME Used Curriculum Sale Tags properly filled in with your information—see last page (You must use a copy of these tags!)
4. A pen with black or blue ink.

Before the sale. . .

- You must register by June 1, 2008 and receive a Participant Number
- You must tag your own items before delivering them to the sale.
- You must remove all old stickers from previous sales before putting on your new tags. (Check for old prices on the inside of the cover also.)
- You **Must** use a copy of the new HOME Used Curriculum Sales Tag. (Please see page 4 for the **required tags** to be used this year.) We recommend you copy the tags several times, write in all the information which will be the same on a number of tags (such as participant number, category, price, etc.) and then make as many copies as you need. (Each item will need two tags.) On the tag you will write the participant number, price, grade, category, and title. Tape a tag on the upper right hand corner of the front cover, and a duplicate tag on the inside front cover. Please adhere them with scotch tape on the vertical edges. (See example at right.) (Duplicate tags identify an owner if the outside tag comes off. **We cannot sell items that do not have tags! The tags are the only record we will have of the item you are selling.**) When an item is purchased, the tag on the front cover will be cut off and used as verification of the sale. You will receive the tags from all sold items when we send you your check for the sales. Please write with blue or black ink, not crayon or markers, and please do not let the children help unless they are very neat and their writing is legible.
- For non-book items please tape two tags to each item. Games and Manipulatives that have little pieces need to be in Ziploc bags.

- The sale categories to list on the tags are:

Art	Bible	CD's & Videos	Complete Curriculum	Foreign Languages
Games	Geography	Grammar	Health	High School
History	Home Ec.	Language Arts	Literature	Manipulatives
Math	Music	Phys Ed.	Pleasure Reading	Reading & Phonics
Reference Books	Science	Spelling & Vocabulary		Unit Studies
Miscellaneous				

- When selling a **set** of materials, please tape a completed tag on each item. (The selling price will be for the set, not each item as if sold individually.) Fill in the # \_\_\_ of \_\_\_\_\_. (For example, if the set has three items in it, you would fill in #1 of 3 for the first item in the set, #2 of 3, for the second, and #3 of 3 for the last item. You need to bind them together with **heavy** elastics. (Please put an elastics on vertically and horizontally.)
- Please be sure the selling price you give to an item is the correct price you desire on it. We will not have time for price changes at the sale.
- It is your responsibility to keep track of the items you are selling. This year we will have no records of the items you are placing in the sale.
- Please sign the Sellers Release and send with your registration or bring to the sale. We **MUST** have the Sellers Release in order to put your items into the sale.

**At the Sale . . .**

- Please follow the signs to the sale room to deliver your items. On Friday you may deliver your items from 8am to 6pm.
- Please bring your Sellers Release (see below) signed, and give to the Used Curriculum worker at the Sign In Table. You **MUST** check in with one of the Used Curriculum workers when delivering your items.
- If you are bringing a large quantity of items you may be asked to help distribute the items to the various tables. Also, with large quantities of items (over 100 pieces) it would be very helpful if you would separate your items into categories. (I. e. science in one box, reading materials in another, etc.)

**After the Sale . . .**

- Please return at 2:30pm to help pack up your unsold items. This will help prevent mixups.
- At the end of the sale Saturday, please pick up your unsold items, they will be ready at 3:30pm and must be picked up no later than 4pm.
- You may arrange for someone else to pick up your unsold books if you are unable to pick them up after the sale.
- HOME cannot send or deliver them to you.
- If you do not arrive by the end of the pickup time, your unsold items will be considered a donation to HOME.
- Money from your sold items will be sent to you within three weeks. **No monies will be given out at the end of the sale**

**PLEASE NOTE**

HOME is not responsible for lost, stolen, or damaged items. We will do our utmost to protect your possessions, but as it is impossible to guard each item and buyer, we need your understanding and grace if an item is missing. HOME reserves the right to refuse any item not deemed consistent with our Christian statement of faith.

HOME **appreciates** your donated items. They become blessings for other families and help HOME continue its ministry.
